Portland Recovery Community Center (PRCC) serves as Maine's Recovery Hub, providing guidance, technical support, and networking opportunities for new and developing recovery community centers in Maine.

Each Recovery Community Center provides support, education, and individual resources to enhance community members' ability to heal, strengthen, and grow in their recovery pathway, throughout all stages of their journey.

Support, Advocacy & Education

PRCC's vision is that every person affected by addiction in Maine will have direct access to a local recovery community center. Together we are living proof that recovery is possible.
